

# Putting the Class in *World-Class* Golf!

*R*ees Jones has taken a pristine piece of lush Arizona desert and created Quintero Golf & Country Club ... the “Purest Golf Experience” in the Southwest. Created in the tradition of some of the world’s most coveted golf courses, Quintero’s focus is to provide members and their guests with the finest playing surfaces and the ultimate challenge for their individual games.

yards from the tips, and a comfortable 5307 yards from the forward tees, the Quintero experience challenges with strategic bunker placement, generous landing areas (for the straight hitters) and multi-level greens often referred to as some of the best in the Southwest.

Membership at Quintero means world-class golf & no more five hour rounds, just a totally pure golf experience on a challenging, championship golf course.

Call us today for details for private Membership Opportunities ... because Quintero is Pure Golf, but it’s only available to Members and their guests!

The course itself has been created to offer a unique playing opportunity, designed to test players of all levels of expertise. From the tips, Quintero has been designed to offer even the scratch golfer a game demanding exacting shots from tee to green. Playing over 7200
